“Historias! Best Of Fest” Film Screening to be Held at City Heights/Weingart Branch Library

SAN DIEGO – The City of San Diego Public Library and the Media Arts Center San Diego’s annual San Diego Latino Film Festival will present the last of the “Historias! Best of Fest” screenings, encore presentations of select short and feature films from the past 12 years of the festival, at library venues in June. The final “Historias! Best of Fest” screening, featuring “Atlético San Pancho,” will take place at 7 p.m. on Monday, June 6 at the Performance Annex of the City Heights/Weingart Branch Library, located at 3795 Fairmount Ave. This program is FREE and open to the public.

Gustavo Loza’s “Atlético San Pancho” (“Never Too Young to Dream”) (Mexico, 35mm, 102 min., Spanish with English subtitles) is Mexico’s “Bend It Like Beckham” for all ages! This delightful family film is about a group of children and their wish to play and excel at soccer. Will victory come to this group of loveable urchins as they square-off against the flashy and arrogant rich kids’ team? A feel-good movie for all ages which stars Lumi Cavazos (“Like Water for Chocolate”), Hector Suarez, Plutarco Haza and Luis Feipe Tovar (“Vivir Mata, Todo el Poder”).

“Historias!” is a partnership between the San Diego Public Library and the Media Arts Center San Diego’s annual San Diego Latino Film Festival. This ongoing partnership consists of year-round book discussions, film screenings and youth digital story workshops in celebration of the Latino Experience. The project is made possible by the U.S. Institute of Museum and Library Services under the provisions of the Library Services and Technology Act, administered in California by the State Librarian.
